Morning Session:

The Raider Basketball Camp will be directed by Cedar Ridge High School Head Basketball Coach Kris Fuller. This will be an exciting, fast paced, four day camp for boys focusing on the Fundamental skills required for basketball success. Each camper will be grouped according to ability to ensure maximum learning and skill development. This camp is geared toward the skill development of defense, passing, dribbling, shooting, rebounding, and court awareness. The week-long program will include instructional drills, contests, and team play. Campers will be exposed to the same training techniques used by the Cedar Ridge High School basketball teams. Our basketball camp is designed to not only enhance basketball skills, but also improve self-esteem and leadership skills.

Afternoon Session:

Two of the all-time leading scorers in the history of Round Rock ISD will lead the second session. Former NCAA basketball players and all-time leading 3-point shooters, AJ Abrams (University of Texas) and Aaron Page (Murray State), will focus on developing great shooting and scoring fundamentals. They will also work with the campers to develop a game-plan for continuing to improve their shooting and scoring after the camp ends.
